Directions to the Nurse Anesthesia Program
3rd Floor, Progressive Care Building

Whatever floor you park on in the Parking Lot, you will go into a building called the Clinical Sciences Bldg/Janeway Tower – catch the elevator to the “M” Floor – go through the building and out the rotating door towards the Reynolds Tower. Go straight across and through the opened doorway and then through a sliding glass door (you will see Patient Services on your left). Go all the way to the end of the hall continue right (where you can only go right) – you will see a Wachovia down on your left – there will be a couple of closed doors past the Bank and then an open carpeted hallway that ramps up (with handrail). Take that hallway and go all the way to the end. There will be an elevator on your left – take it to the 3rd floor. Turn left after exiting the elevator and you will see an overhead sign that says “Nurse Anesthesia Program.” Come in and you’ll find us.
